Grand Chef de Gare 2016-17 Mike Wood

Fall is here and we are into our 2017 membership year with a good start. Since the last GOT I had the honor of visiting V-719 in Augusta and installing their officers. Thanks to Chef de Gare O'Brien and the Voyageurs there for all their courtesy and hospitality and they seem very dedicated. We have also completed the Promenade Nationale in Perrysburg, OH and elected all the 2017 Nationale Officers and conducted the program committee meetings. Georgia was well represented at the Promenade and had the honor of being awarded several Nationale Offices. Mike Thorne, Aide de Camp, Michael Bolig, Sous Directeur Box Car and Roger Decker, Sous Directeur Child Welfare. My Congratulations to these fine Voyageurs and hopefully next year we will have even more Voyageurs from the Peach State earning Gold Chapeaus. There has been a change in the Nationale password and you will have to get that from your Chef de Gare, so attend your next Promenade, enjoy the camaraderie and get the password. If you did not attend Promenade Nationale just ask someone who did and they will tell you that not only is it informative but it is very enjoyable with plenty to do. Plan on going next year in Louisiana.

By the time you receive this we will have held the 3rd annual Shamrock Wreck in Savannah. I hope that many of you are attending this fine event hosted by V-567. This is the only big Grande Wreck that we have in Georgia and it deserves the support of all Voyageurs and Voitures Locale. We want this to be successful and to do so we must support it from within to get others from outside Georgia to attend. I would really like to see the Shamrock Wreck grow into a regular stop on the calendar for Voyageurs from all over the country and it will do wonders for our own membership efforts. V-567 works very hard on this event and I give them a Tip of my Chapeau. This year we have the Chef de Chemin de Fer as our guest, now the ball is in our court to make it successful.

I want to bring up communications and by that I mean that it needs to get better in Georgia. The Grande Correspondant has received very few rosters of the 2017 officers from the Voitures Locale. This is the responsibility of each Locale to send this list in. This is how we have the contact information for each other within the Grande and it is imperative that it be completed. The Locale elections were in June or July and it is now October, so this information should have been completed long ago. If you have any questions on this, contact the Grande Correspondant. Secondly, we are not taking advantage of the GOT. It is expected that each Grande Officer and Program Directeur send an article for information to the L'Editeur for each issue of the GOT. I saw the July issue and there were **no** articles from Officers and Directeurs in it. That is not acceptable and is a disservice to the Voyageurs of Georgia. Being a Grande Officer or Directeur is a great privilege but with that comes great responsibility. That responsibility is to your fellow comrades in La Societe to keep them informed. We have 4 issues a year of the GOT and surely you can fulfill those requirements. Voitures Locale should send in news about their Locale and pictures of events and Voyageurs for publication. Even if someone accomplishes something outside the Forty and Eight, let your fellow Voyageurs know about it. This GOT Newsletter is just one of the tools that we have to build this Grande, so use it to its full extent. This is **your** Grande and will be as strong as **you** make it. I for one will do what I can, as best I can.

We are off to a good start on membership. We are slightly ahead of where we were this same time last year. The goals this year are as follows; 50% by 15 Oct, 75% by 30 Nov, 100% by 31 Jan 2017, and 105% by years end. I have enclosed a 2017 renewal notice in the GOT to assist you in sending in your dues and once we get everyone renewed we can concentrate solely on new members. Membership can only be accomplished if everyone does their share and it starts at the Locales. Each Locale should form a Membership Committee dedicated to getting and increasing a strong membership. Then the Grande has the responsibility of the Grande Chefs de Train assisting their assigned Locales in any way they can. I will be sending each Grande Chef de Train and updated membership report weekly for them to distribute to their Locales. If you are not getting this information, please let me know. If you are having a Promenade or an activity and would like me or any Grande Officer to attend, just let me know. We want every Locale to be visited this year, if for no other reason than to just meet the Voyageurs.

Grand Chef de Gare (continued)

In closing I would like to remind everyone that we have Veterans Day upcoming and please observe that day. As a Marine I would be remiss if I did not wish my fellow jarheads "Happy Birthday" on 10 Nov. and Semper Fi. If I do not see you before, I want to wish you all the best in the Holiday Season. I hope that some of you are planning to get together during the holidays and share some camaraderie. The next time the GOT will be published will be January and I hope we all have a safe, healthy and prosperous 2017 New Year. God Bless America and each of you.

La Grande Presidente 2016-17

Janet 'Moose' Walsh

The 2016 Promenade-Rendezvous Nationale, held during Mid-September, in Perrysburg, Ohio, a beautiful small city, located along the Maumee River, Southeast of Toledo, were both productive and memorable. It was my privilege and pleasure to represent our Grande at that activity. Also representing the Grande du Georgia were nine additional dames, including two Nationale Presidents Passe.

Our new La President Nationale is Joyce Willis, of Virginia, who has held numerous locale, grande, and nationale offices. The President's theme is, "Go the distance for the goal", and her project for 2017 is Youth Sports. We know that she will do a great job for us.

The following are 2016-2017 Nationale officers and committee chairpersons from Georgia: La Drapeau Nationale - Dothe Bolig; Advisory Board, Cabane Nationale - Cheryle Boswell; Constitution & By Laws - Dothe Bolig; Executive Committee La Cheminot Nationale - Janet Walsh

Overall, the Grande and Cabanes Locale 217, 499 & 567 were recipients of a total of 7 Nationale awards. Very nice work, but there is room for improvement this year.

One of the memorable moments of the Rendezvous was the acknowledgement of the dedication and hard work of our Audrey O'Keefe, for raising funds supporting the Boxcar Hobo Children's Party. She accumulated over \$1,650.00 in donations this year, and as a token of appreciation for her diligence in fund raising, deservedly, she was awarded a lifetime Boxcar membership from Sheryl and Joe (Chef de Chemin de Fer Passe) Jannick.

Grand Chef Mike Wood and I are working together as a team, visiting as many cabanes and voitures as we can, starting with our presence at the Shamrock Wreck/Petite Cheminot, in Savannah, hosted by Voiture and Cabane 567. We certainly hope to see you during the course of our visits.

I know that there is a concerted effort throughout the Grande to increase our membership and I very much appreciate this. If I may be of help to you in this effort, please do not hesitate to call, text, or email me.

Bonjour Voyageurs,

Happy 2017 Membership Year!!! Congratulations to our fine state of Georgia for surpassing 100% membership 2016.

You ALL are awesome! I am excited about this time of the year. I compare my excitement to a fresh start on a brand new day, or a blank chalk board waiting to be filled with new information. All of the Voyageurs of my Voiture along with myself are still very happy about reaching 100% renewal last year but I will be very excited when we repeat that task and exceed the goal of 100% membership with a few new members to boot! We should never stop talking about and actively working on our membership. Remember, "Membership is EVERYONE'S business." This years goal is 100% by 31 Dec. and 105% by end of membership year.

Well Voyageurs, I've attended my very first Nationale Promenade. What a blast! I enjoyed, learned, and met so many wonderful, hardworking, cheerful folks. As you may have guessed from my email a couple of weeks ago, of Wisconsin's Correspondant Newsletter. Hope you found it entertaining and interesting. I will continue sharing Wisconsin's newsletter with us here in Georgia from time to time and look forward to reciprocating with copies of our Georgia on Track.

During Nationale I visited Emblem Sales there in the hotel, scoring a few bargains. Enjoyed a few sessions: Membership; Carville Star; Time & Place; POW/MIA. Was present for Opening and Closing Sessions; Reports of Commitees National Officers, and Trust Chairman, Awards, Meet and Greet, and the Banquet. All not necessarily in that order. Believe me, we had a packed weekend at the French Quarter in Perrysburg, Ohio.

I would be remiss if I did not congratulate these Voyageurs on their Nationale Appointments:

- Mike Bolig – Sous Director Box Car
- Roger Decker - Sous Director Child Welfare
- Terry "Mike" Thorne – Aide de Camp
- Mike Wood - Commitee on Commitee and Advisory Commitee

It was great to see the Train from Voiture 217, East Point, Georgia there along with about 6 other trains from other states. We caught up with the train travelling back home. Boy did it look strange seeing a train rolling on the highway. How many of you are going to the 2nd Annual Shamrock Wreck in Savannah Oct. 7-9? I can't wait! Don't forget, our Cheminot will immediately follow on that Sunday afternoon (9 Oct), after the closing events.

When we pride ourselves on our great Nation, let us also remember those who gave the ultimate sacrifice as well as those who are out there today around the globe protecting our freedom!

Membership Math

Mike Wood, Grand Chef de Gare

I think every Voyageur has their own formula or idea of what percentage or number of members we can recruit or retain. I have heard that we cannot recruit **any** of the younger Veterans so that percentage would be .00% and the number would be zero. I have also heard that we would be fortunate if we got 1 out of every 100 we recruited and that percentage would be .01%. I have even been told numbers as high as 1 out of every 10 recruited or 10% is what we could do. As in many other things in life when it is all "said and done", there is usually more said than done.

As far as renewals I have heard from some members that we could get 1/2 or 50% to renew and others say 3/4 or 75%, very few say that we can get 100% to renew and I guess that has been true for the last 20 some years. It has been the pattern for the last several years that we lose approximately 1700 members or roughly 5% - 7% per year nationally. These numbers are all speculation and in many ways and different opinions depending on what Grande you talk with.

All these numbers are all well and good and I am not disputing any of them, but there is only one true fact that I have learned over the year in La Societe that cannot be argued and is the **only** factual true membership math and it applies to recruiting and renewals. We cannot renew or recruit 100% of the veterans that we never talk with about La Societe. So it all comes back down to the same formula that has worked for years and that is each member needs to shoulder their part of the responsibility of making our organization stronger by seeking out and talking with Veterans about joining or talking with Voyageurs about renewing their dues. So as you see the membership math is very simple and un- we can convince every Voyageur in La Societe of this fact, the only 100% that we will achieve is the one of not talking to qualified Veterans that we need. It would be so rewarding to reverse that 100% number of not talking to enough prospective members to 100% in total National Membership, but that is up to each and every Voyageur. You control the destiny of La Societe, so we need to do the proper membership math to

Voiture 909 Albany

Greetings from V909

Seeing how the current Chef Locale does not have a computer I am doing the input for 909. Nationale was a success despite the distance covered to get there and home again. We of 909 truly enjoyed the company, companionship and everything associated with National conventions. V909 is starting our parade season starting 1 Oct at Andersonville National POW museum and probably ending sometime just before Christmas. We normally do about 15 Parades if we can get the Loci running right. We need to replace the engine as it has a leak in the block, but that costs more than we have in the account now, although we are going to do some fund raisers and look for a used engine. Should you be in South Ga., call me and we will go out for lunch or something.

L'Editeur

As I stated at Grand Promenade, this will most likely be my last issue. I will be working with L'Webmaster Tom Reesman to ensure a smooth transition for him to become L' Editeur. I have truly enjoyed putting this newsletter together for you and now understand why it was so hard for Kent Molen to pass it on!!

If you are receiving a hard copy of GOT and would prefer electronic copy, let us know.

For Locale Correspondants, when your Voiture wrecks in new members please ensure that Tom & I receive their information so that they can begin receiving the Georgia on Track. Let us know if they want to receive it in hard copy (provide current mailing address) or electronically (provide valid email address). The GOT goes out, via email, to Nationale officers and all Grand Chef de Gares and Grand Correspondants that I have email addresses for. In turn I receive the newsletters of Grand du FL and Grand du VA. I pass them on, electronically, to all GA Locale Chefs and Correspondants. Ask to see them!!

Nurses Training

Greetings fellow Voyageurs and Dames of Grand du Georgia. I know I was supposed to be moving to Pennsylvania but my plans have been changed until the end of next summer 2017. So with that said it is my honor to have accepted the position of Grand Directeur of Nurses Training for the year 2016 -2017. I encourage each and every Voiture in this Grand to participate in the Nurses training program this year. The Nurses training program is so vital in helping fund Nurses in training and for them to move forward to graduating as either an LPN or an RN. In turn the more nurses that we can sponsor will inevitably be a huge asset to our Veterans and our active service men and woman alike.

I fear with the way things are going with the conflicts overseas that the number of wounded Vets and service members is going to greatly increase in the near future. That makes our Nurses Training program so crucial more than ever. Please feel free to contact me for any questions or help and I will do my very best to assist you in anyway that I can. I'm excited to see what we can do this year in our Grand. In closing I'd like to wish everyone well and I hope that I will see you at the Pettite that will be held in Savannah Georgia this year following the Shamrock Wreck.

God Bless,
 Mike Thorne

GRAND DIRECTEUR — AMERICANISM

Greeting Voitures.

I attended my first National Promenade which was held in Perrysburg, Ohio. There were trains from many Grande Voitures, Ohio, Illinois, Indiana, Michigan, and of course, our own Train from Voiture 217 which attracted most of the attention.

I attended the following Committee meetings:

Membership Committee: The motto is Golden Year. And the membership shirts are golden. This year, the National goal is 105%, with the following dates set to obtain these goals. 50% by Oct 15; 75% by Nov 15; 100% by Jan 31, and 105% by the end of the Voiture Year.

Public Relations: A new Public Relations manual is online. There was emphasis on all Grandes to submit their annual report. This year only about 50% reported. It was recommended that each Voiture create a Media Contact List (POC at local newspapers, and TV's channel). There are plenty of free media sites available, so use them. Press Association newsletter is published 12 times a year; submit your request on line at National to get on distribution for it.

Nursing Training: This year over 300 scholarships were awarded for a total of over \$275,000.00. The following Voitures were awarded the Nursing Training Award:

First place Voiture 510 Indiana Second place Voiture 365, California.

The Nurse Training Committee donated \$8,000.00 to the Boland Trust Fund.

Americanism Committee: I finally got to my assigned area at 1400. The Americanism Award of the Year was presented to Mr. Donald Overton. His group is credited with building eight houses in his area for veterans and their families. Only 29 Grandes submitted reports to the Americanism Committee. They record over \$12 million dollars in donations. Over 37,000 flags were presented to First Graders. Americanism Committee donated to the following:

\$1200.00 to Arlington National Cemetery

\$1200.00 to National for the award winner

\$2500.00 to National to reduce the mortgage on the Headquarters Building.

National Directeur Voiture Americanism, Thomas Smith addressed the Committee. He stressed the importance to our program, "Flag for First Graders". It is a golden opportunity for us to change and influence our youth about our flag. So each Voiture should contact their local school for permission to perform this program. Guidelines for this program can be found on the National webpage.

All Americanism Directeurs, it is your responsibility to make sure all Voyeurs' document their hours spent on activities, miles travelled, and actual cash spent. If we all document our activities, just maybe Grande du Georgia could win this award.

I saw plenty and learned a lot. See you at the Shamrock Wreck and Cheminot in Savannah October 7 – 9th.

GRAND DIRECTEUR — BOXCAR

Greeting fellow Voyageurs. I would like

to start by informing all that I am your Grand Directeur Box Car. I also Grand du Georgia as National Sous Directeur Box Car. I have, or can get you, information on all things Box Car. I will be providing information from Nationale to the Locale Chefs, Correspondants and Box Car Directeurs via email monthly. If you Locale Directeur says "No Report" in your Promenade, ask if they have received anything from the Grand Directeur/Sous Directeur National. Keep 'em on their toes!!

Overall the National Box Car program did not perform as well in 2016 as in previous years, for a number of reasons which I will not go into here. YOU can help change this course!! Have you purchased your pins, crew cards or associate cards yet? If not, let me know what you need and I can ensure that you receive it. Did you know the Box Car program is selling challenge coins as well? There have been 5 coins issued, a complete train, with the last one coming out in 2016. They are still available for \$10 each. Also, new at Promenade Nationale, the program issued a new coin to honor the La Femmes!!! I think this is a great idea considering all that the La Femmes do to help La Societe. You can view the La Femmes coin on the Nationale website under the Programs menu and clicking on Box Car. It is an awesome and every Voyageur should have one and should get one for their favorite Dame!!

As a reminder, the Crew cards are sold **ONLY** to Voyageurs. The Associate cards, pins and coins may be sold to **anyone**.

Our Quota, as established by Nationale, is to donate to Box Car \$1 for each member of our Grande. That means our Grande quota is \$509. Should be pretty easy, huh. The Goal is \$2 for every member. Last year we donated \$1.58 per member. Not bad but we can do better. Please let me know if I can help you in any way regarding Box Car. I would be more than happy to see that you get your pins, cards and coins!! I can be reached by email at: mebolig@a.net; or by phone at (573) 842-8312. DON'T HESITATE to reach out.

GRAND CHEF de TRAIN NORTH– Membership

Membership is a team effort!! Congratulations to Grande Chef de Gare Passe Mike Bolig for Grande du Georgia's achievement of 100% membership for 2016. Grande Chef Mike Woods is expecting us to do even better this year 2017.

Some information received at the Nationale Promenade follows; Nationale did not achieve 100%. Nationale dropped 854 members from the previous year total. We need to stop the bleeding. Three Grands reached 105% and 16 Grands reported 100%. One Sous Directeur reached 100%, this is the first time since 1990. The last gain in membership for the Societe was 1982.

Nationale will continue the following awards programs: I got 2, (you can get only one for the year). Super recruiter for 10. Pins for locale Chef and Correspondant for 100% Voiture membership. Silver ring program for Grande Chef who achieves over 105%. There is a new Award called the Barry Bovee Award. This award will be presented to the Voiture that has the best recruiting program.

The following dates are outlined for membership goals for Membership year 2016-2017; 31 January is the date that Membership fees are due, after this date the voyageur is late. The first goal for Voitures is 50% by Oct 15. The second goal is 75% by Nov 30. A goal of 100% is expected by 31 January. The last goal is to attain 105% by 1 July.

How soon can your Voiture start on membership recruiting? The quicker you get your renewals the quicker you can get started on recruiting. The reason the goals are outlined is to help you focus on renewals and getting them out of the way so more energy can be focused on recruiting.

This year's Membership slogan is going for the GOLD. The FOCUS group for recruitment is 2 Aug 1990 to the present (Gulf War, Iraq and Afghanistan Veterans). The FOCUS is on attracting younger members to ensure survival of the Societe. No Recruits = no Survival.

At Nationale, we discussed ways to help recruit. One issue is that the sponsoring voyageur does not know how to present the organization. One way to sell the Societe is a presentation folder, Nationale is planning on producing a document on the Societe for potential new members. Folders could have 1. introductory letter, 2. Who we are bulletin, 3. latest copy of locale newsletter, 4. latest copy of grande newsletter, 5. Annual report summary, 6. Where we can be found on social media. 7. Glossary of terms. 8. The application.

There is a new Public relations guide on the Nationale website. This may help with selling your Voiture.

There are many locales that have no new members for years. This needs to change.

Voyageurs, always have an application on your person. New 2017 blank membership renewal cards are included in this newsletter. As of Sept 29th, the Grand is at 36.54 % in Membership for 2017.

Grand Directeur Voiture Acvies

Bonjour,

Please remember to record all your Voiture Acvies. If you record at every promenade, you will won't have to struggle to remember. I aended the Voiture acvies commiee meeing at Naonale. 32 voyageurs aended represening 17 Grands. Only one third of the Grands make sure you see me to fill out a Voiture informaion sheet. I hope to have a copy of the 2017 Voiture Acvies Report Form for you also so you won't have to download a copy.

turned in a Voiture Acvies report. We have to do beer. Almost anything you do for Veterans can be Voiture acvies. Every Voiture represented at the Peite and the Shamrock wreck will be able to start there report. Please take a copy of the report and fill in the data. Also Naonale is working on an updated Voiture Acvies report. I will keep track and pass out when it is ready.

I will be available to answer any quesions you have on Voiture Acvies, compleing the form as well as provide any suggesions or ideas for events/ acvies.

A few things upcoming this quarter where you can plan and paricipate in Voiture Acvies are Veterans Day on 11 November. as we all are aware. What does your Voiture have planned? Will they be part of a community parade; hold a service; host a dinner? November 10th is the birthday of the Marine Corps. Something to commemorate the day can be done at your November promenade. Thanksgiving Day; think about a Voiture food drive to help the local food bank/food pantry. Christmas dinner? Elecion day? What about doing something for the kids on Halloween? Even Columbus Day could have an acvity.

Make sure email and contact informaion is good at Grand and Naonale. The program year is July 1 - June 30. Don't forget to plan to aend Naonale in the upcoming years. Bossier City LA is the host city for 2017, Louisville KY 2018 hosts in 2018, and just recently approved is Myrtle Beach, SC hosts in 2019. These Naonales are all fairly close for Georgia voyageurs to aend.

Lead me, follow me, or get the hell out of my way.:-
